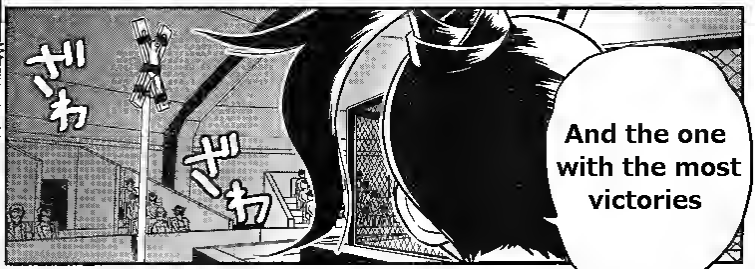
I get it now.
Byakko, Genbu, Suzaku, and Seiryuu.
The "Four Winds" were divided in the Domina Tower...
and each round will take place on one of the floors.

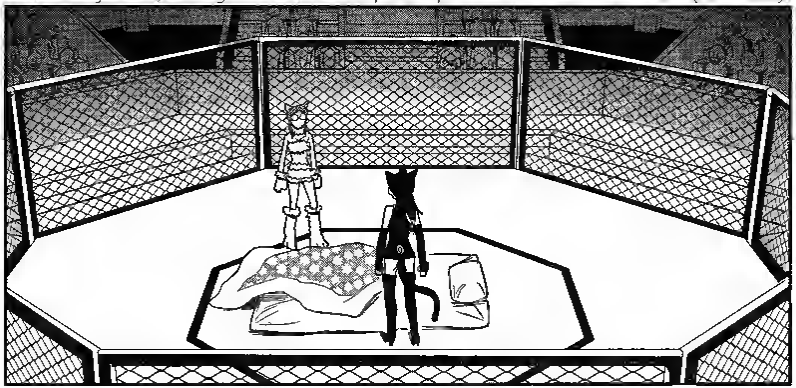


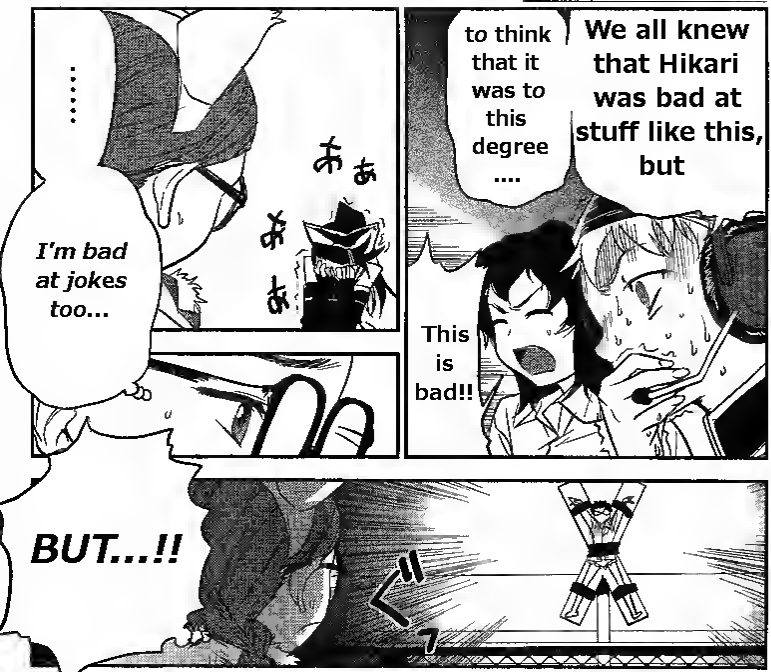
Well then, Inko, first off
please explain the rules for the Byakko round.
Okay.
The first round .....
is a cage match.
16
In this round, you'll use given objects to create funny gags to gain points.
The contestant to gain the most points in the time limit wins.
Wait a moment! Are you saying that that's it!?
No no That's just for the atmosphere. The atmosphere .....

Now, to judge this match, from the comical world who's motto is "Repetition is the foundation for comedy," the sixth master from the House of Repetition!
Thank you. Thank you.
The plan for the Byakko room is for the two feisty cats to have a cat fight.
Best of luck to both their pussies....
I mean those two cats.
Now, the first theme is....
FUTON
A FUTON!

What interesting thing will we see from this theme!?
A single futon has been placed at the center of the ring!
すっ
すいっ
What's this? Hikari has made the first move! This is unexpected!
ぶぶぶっ

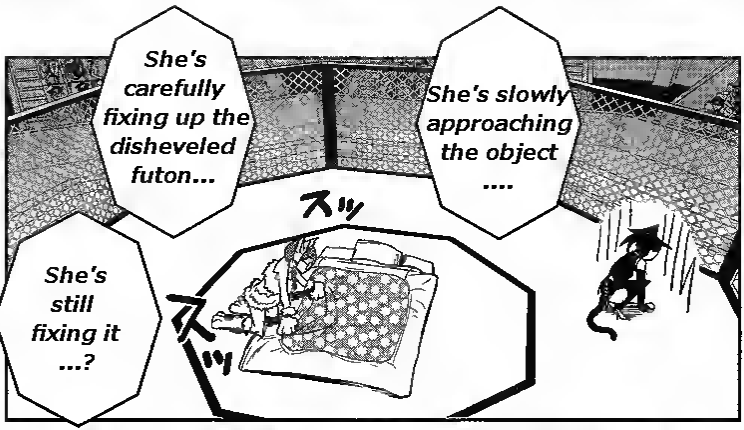
TL Note: Hikari's joke was, "Futon ga futtonda." This is a phonetic pun on the words "Futon" and "futto"(to be blown).

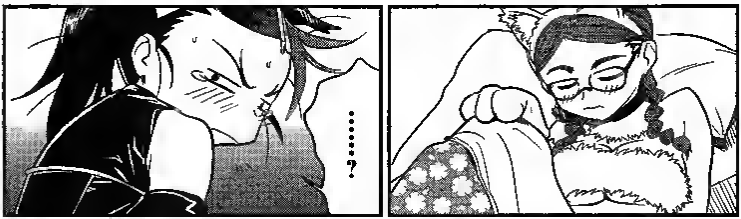


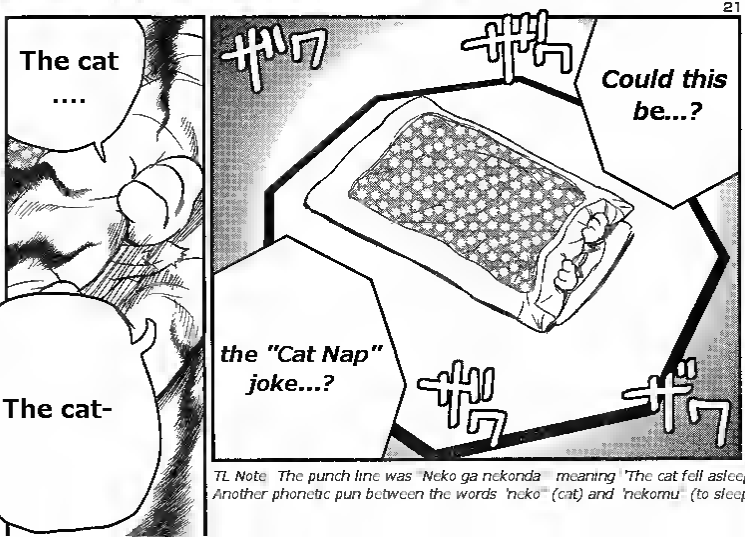


We all knew that Hikari was bad at stuff like this, but
to think that it was to this degree ....
This is bad!!
おぉ
おぉ
.....
I'm bad at jokes too...
BUT...!!

I HAVE TO WIN TAKESHI!!
I definitely ....without a doubt ....can't afford to lose!!
Look, Ayako's also making a move!







TL Note: The punch line was "Neko ga nekonda" meaning "The cat fell asleep". Another phonetic pun between the words "neko" (cat) and "nekomu" (to sleep)

NEKONG DELTA!!
What's this!?
Viet Nam
MEKONG DELTA
It's Ayako!
Ayako
Ayako betrayed our expectations, and instead presented a pun on the "Mekong Delta!" And the Master's verdict is...!?

Well, I wonder what kind of guerrilla warfare is going on in that jungle over there.
It really is bristling down there, isn't it?
Well now, what's the next theme!?
23
It's a microphone!
Looks like Hikari, who lost the point from the last room, is going first!
.....
What's this? She's .....
putting the mic between her breasts ...
It's a titty fuck for the microphone, isn't it...?
Looks like they may be a little too small, don't they?

Come on, just give up and hand Takeshi over to me already!
Ha! No matter how hard she tries, there's no way that grade schooler will be able to clutch the mic between those tiny breasts!
Is this the end!?
Looks like Hikari dropped the penis-like mic!
Oh!
... Hmph.
I lost the "cup."
I
WHAT !?

TL Note: The joke was "chippoishichatta," a pun on "shippaishichatta" meaning "I lost." This plays on the phonetics of "chichi" (breasts) and "shippai" (to fail).

She turned her handicap into a weapon with this move!
Splendid! Once driven into a corner, will Hikari show her hidden talent from now on !?
I have a better opinion on my sister now!
GRR
It's a point for Hikari!
25
Ayako immediately returns a counter-attack!
YOU VAGINAL RASCAL !!
COME ON!! YOU RASCAL !!
HERE'S A MIC CHALLENGE!

TL Note: The pun was "omo-konoyarou!" meaning "Vaginal rascal." This is a phonetic pun on "omoko" (vagina) and "konoyarou" (you rascal).

Baseball Glove
It's once truly again an honor to have you here today.
As expected from the man who was given the title of "National Treasure" in an interview. Yet another nice comment by the Sixth Master.
The "this 'pussy' is better than you" situation joke has become attractive..... depending on the "pussy."
Truly!
A commendable spirit that says, "I will catch all the balls!"
PRIVATE GLOVE!!
26
BUTT OF COURSE!
OH SHIT!
Dictionary
THE "DICK"TIONARY IS QUITE USEFUL!!

Ayako was like a raging bull by winning all those points!!
After hearing the "Oh shit" joke, I had to think about it's tastefulness, but later realized that it was quite witty.
You're just bringing that up now, Mother?
Nobody said anything about all the jokes involving "private parts."
27
...For the mean time, let's set aside how I was put in this position...
Also, I understand that those two are fighting for me...
But what is this
feeling of sadness ...

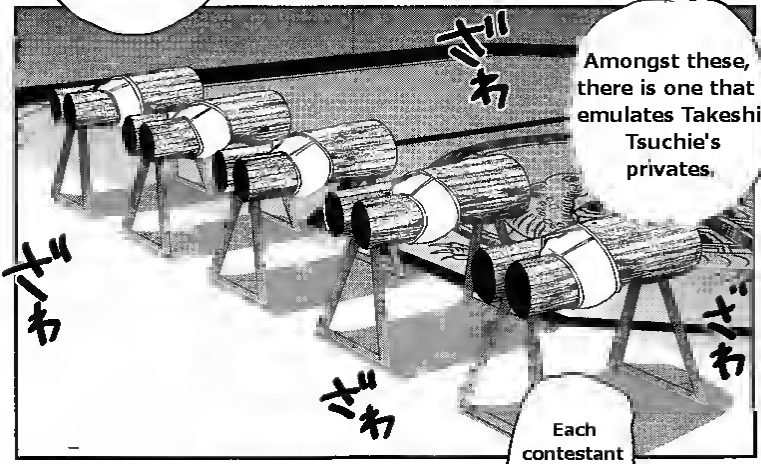
The second round for the Domina Tower's Genbu room that has been handed down in the Harigata family
will now be introduced after great anticipation!

TL Note: Hangata translates to dildo



Huh!?
Each contestant will ride on-top of them,
and will determine which one is the real one by rubbing them across her own privates.

※Note: The male genitalia's temperature is 24 ºC (75.2 ºF) immediately following urination

WHAT KIND OF IDIOTIC THING IS THAT!? THERE'S NO WAY THAT WE COULD .....
Sticking with the Genbu's turtle and snake.... this seems like an appropriate match, doesn't it, Karigata?

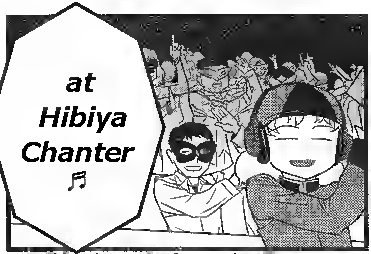
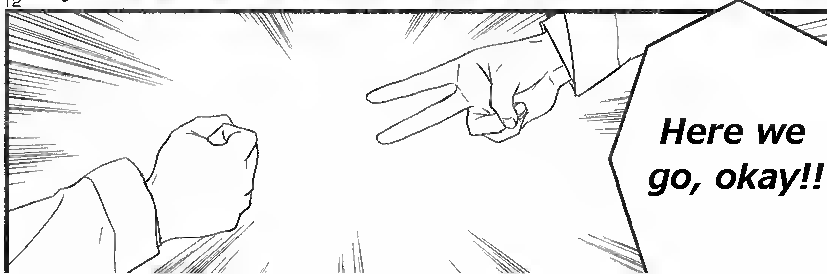
Sorry to keep you waiting, everyone!

The theme for the third round
here in the Domina Tower's Suzaku Room is...
STRIP ROCK-PAPER-SCISSORS!
Ready? Go!!



TL Note: Hibiya Chanter is a famous shopping center



!?
Hikari gets the first win!
Grr ...
Oh, what's this!!?
AYAKO TOOK OFF HER SKIRT FIIIIIIIIRST!!
Although it has nothing to do with winning the round, Ayako looks like she wants to add some "Art Points," if it's even possible.

Hikari is holding her final piece of clothing with her hand!
This is like Heaven and Hell!

TL Note: "Maebari" are small rectangular coverings that cover up female body parts

"THE DOMINA VAGINAL GUARD!"
That's the maeba that's been handed down in our family.

Now
The Domina Tower, still lingering with the excitement from the third round,
has finally arrived at the fourth round.

The theme for the final round here in the Seiryuu room
is "Capture the Flag!"
23
So far, Hikari has won two rounds!

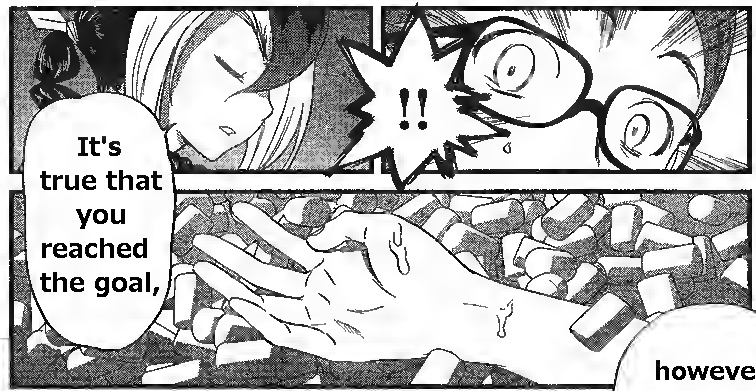
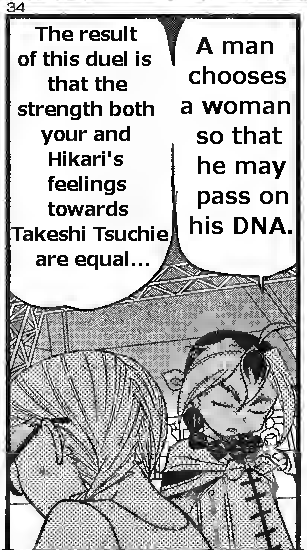
It's true that the game is tied two-to-two, but...



!!
It's true that you reached the goal,



The result of this duel is that the strength both your and Hikari's feelings towards Takeshi Tsuchie are equal...
A man chooses a woman so that he may pass on his DNA.

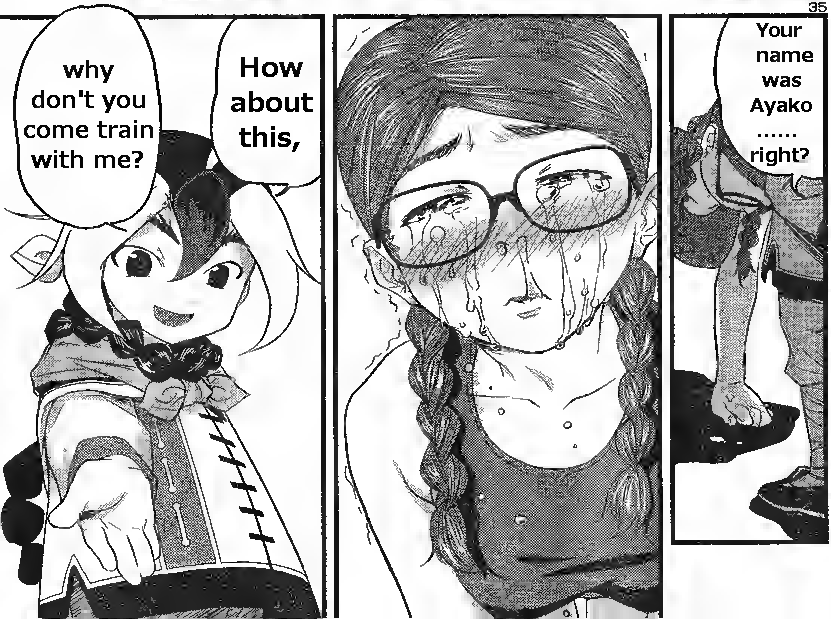
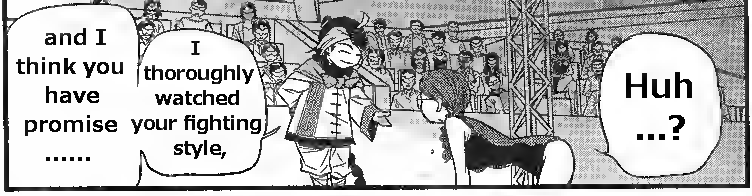
however, the one that Takeshi Tsuchie's descendants have chosen
is not you
but Hikari.

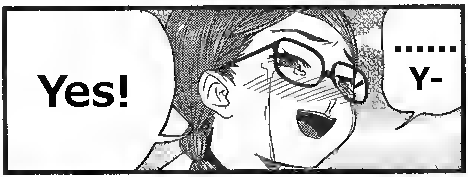
In other words, Takeshi didn't choose me,
but Miss Domina .....
His children didn't choose me .....
His children .....
If that's the case, then he... no,
don't his children have the right to choose who's the winner?
Uu...



How about this,
why don't you come train with me?
Your name was Ayako ..... right?



and I think you have promise .....
I thoroughly watched your fighting style,
Huh ...?



Yes!
..... Y-

So, will you come with me?

So, Ayako,
who became Hikari's grandmother's apprentice without truly understanding the reason,
left for the backlands of Tibet in her pursuit of knowledge
With those nightmare like days long gone,
it seemed as if tranquility had returned.
However ...
Hmm?
A Letter?

◆ A LETTER WITH AYAKO'S HORRIFYING FEELINGS... TAKESHI'S FUTURE PEACE IS...!?
